SPRING 2024

Grab Your Phone Before Your Shovel

There may be more than roots underground on your property. Utility lines could also be buried there, possibly close to the surface and easily damaged by digging. That's why every digging job—from planting a bush to installing a fence—requires a call to 811 to have utility lines marked. Thanks in advance for your cooperation!

Copperopolis Office:

513 Main Street / P.O. Box 37
Copperopolis, CA 95228
Phone: (800) 253-2511 or (209) 785-2211

CRUISE THROUGH LIFE WITH FIBER INTERNET

How can we describe the free-wheeling experience of having CalTel's fiber internet? It's a bit like the ideal bike ride down a smooth road on a sunny day. There's nothing to worry about and everything to explore.

Our fiber internet provides super-fast speeds of up to 1 Gig at affordable prices. Plus, it's so incredibly reliable that you'll rarely hit a bump. Should it happen, our local team will respond quickly to get you cruising again.

Gear up for what's ahead with a new fiber internet plan.

CALL (209) 785-2211

4 Good Reasons to Switch to Paperless Billing

Are you still paying your CalTel bill by writing a check and mailing it to us? If so, we encourage you to switch to paperless billing and pay electronically instead.

You'll enjoy benefits including:

1. More Security – Paper bills leave you vulnerable to sensitive information being stolen and used for identity theft. Your mail could be taken from the mailbox or from a garbage can. With paperless billing, you communicate securely with CalTel via a password-protected online portal.

2. Saves You Money – You won't have to buy as many postage stamps or checks when you use paperless billing.

3. Faster Than Traditional Bill Paying – Why waste time finding a bill, writing a check, looking for a stamp, and walking to the mailbox? With paperless billing, you can pay online in seconds or have your bill paid automatically with Automatic Payment.

4. Better for the Environment – Mother Earth loves paperless billing! It reduces paper use and saves trees.

GO GREEN! Sign up for paperless billing and receive a \$1.00 monthly credit toward your CalTel bill. Go to <https://caltel.smarthub.coop> to register today!

"Would You Rather" Questions Will Make You Think

Playing a game of "Would You Rather" can be one of the best ways to get to know people better, whether you're with family and friends or at a gathering of people you just met. "Would You Rather" questions force you to think about what you value most in life and may spark some laughter as well. Here's a list to get you started:

Would you rather be 11 feet tall or nine inches tall?

Would you rather be the funniest person in a room or the smartest person in a room?

Would you rather visit the International Space Station for a week or stay in a hotel at the bottom of the ocean for a week?

Would you rather be invisible or be able to fly?

Would you rather go back to the past and meet your deceased loved ones or go to the future to meet your children or grandchildren to be?

Would you rather master every musical instrument or every type of sport?

Would you rather fulfill your biggest wish or resolve your biggest regret?

Would you rather live in a world without music or one without colors?

Would you rather be stuck on a broken ski lift or in a broken elevator?

Would you rather be an Olympic gold medalist or a Nobel Peace Prize winner?

Would you rather give up air conditioning and heating for the rest of your life or give up internet for the rest of your life?

Regarding that last question: If you decided to keep internet in your life, we're happy to hear it! Call us at (209) 785-2211 if you're interested in upgrading your internet plan.
